### The Golden M – the mark for quality-tested furniture

The quality mark "Golden M" is an award for approved furniture regarding quality, safety, as well as health and environmental protection. The "Golden M" is awarded by the Deutsche Gütegemeinschaft Möbel e. V. (German quality control association).

The RAL-quality mark is based upon 55 years of research, laboratory examination, practical tests, comparisons and scientific exchange – an excellent basis for carefree living, giving you certainty while buying furniture.

The collection / models bearing the emission label comply with the fundamental award criteria for the emission label of the Deutsche Gütegemeinschaft Möbel e. V. in their respective category.
